Our mission of Making Communities Healthier® has always been central to the contributions we make to Lee County and the surrounding area. As our region found itself impacted by the COVID-19 pandemic, that mission became even more critical to the well-being of our community. We are proud to be part of a national health care network that provided quality care for more than 20,000 COVID-19 patients in 2020 – including those here at home. Duke LifePoint Healthcare’s continued support – and yours – allows us to create places where people choose to come for health care, physicians want to practice and employees want to work. As we look ahead to a bright future, we look forward to further enhancing how we serve our neighbors today and for generations to come. Thank you.

— Spencer Thomas, *CEO*

In 2020, we...

...added 67 employed, affiliated and telehealth providers

Inviting the best possible providers into our community and supporting them is essential to ensuring access to high-quality care. This year, we added providers in OB/GYN, wound care, emergency care, hospital medicine, infectious disease, ENT, telemedicine and more.

...made nearly \$2.4 million in capital improvements

By continually investing in our facilities, we’re helping to ensure that we continue to meet our community’s health care needs. This year’s investments included CT replacement, defibrillators, medical vacuum pumps and more.

...distributed a payroll of \$36,200,497 to more than 550 employees

We strive to create an environment where talent is recognized, job satisfaction is valued and our employees can effectively use their skills to provide high-quality care and service.

...donated nearly \$46 million in services to those in need

Delivering care to all of our neighbors, regardless of their ability to pay, is foundational to our mission and our commitment to our community.

...paid \$4,598,649 in taxes

We are proud to be a leader in our region, and our dedication to ensuring fiscal responsibility extends both to our hospital and to our community.

CENTRAL CAROLINA HOSPITAL

A Duke LifePoint Hospital

County EMS Management

Central Carolina Hospital has run EMS for Lee County for the last 24 years. Under Duke LifePoint Healthcare leadership, CCH has invested half-a-million dollars in Central Carolina EMS for new ambulances, a wheelchair van and cardiac monitors. CCH EMS also offers a \$3,000 sign-on bonus for emergency personnel, remaining one of the few agencies in the state to offer this benefit.
