

Haywood Regional Medical Center is committed to providing high-quality care close to home, further enhancing and expanding our services, and making the right investments to promote and protect the health of our region. We take seriously our responsibility to advance our mission of *making communities healthier*® and support our community as a vital economic engine. Our dedicated team is committed to going above and beyond to meet the needs of those we serve – both inside and outside our hospital walls. With support from Duke LifePoint Healthcare and community partners, like you, we continue to make a positive difference together and create places where people choose to come for healthcare, physicians and providers want to practice and employees want to work. Thank you.

Chris Brown,
MBA, RN, CPPS, CEO

2022 Community Benefits

Added 125 employed and independent providers

Inviting the best possible providers into our community and supporting them is essential to ensuring access to high-quality care. This year, we added providers in anesthesiology, emergency and family medicine, nephrology, OB/GYN, orthopedics, radiology and telemedicine

Made more than \$2.8 million in capital improvements

By continually investing in our facilities, we're helping to ensure that we continue to meet our community's healthcare needs. This year's investments included a portable X-ray unit, facility boilers and an inpatient dialysis unit.

Distributed a payroll of \$70,280,049 to approximately 800 employees

We strive to create an environment where talent is recognized, job satisfaction is valued and our employees can effectively use their skills to provide high-quality care and service.

Donated more than \$35 million in services to those in need

Delivering care to all of our neighbors, regardless of their ability to pay, is foundational to our mission and our commitment to our community.

Paid \$8,195,377 in taxes

We are proud to be a leader in our region, and our dedication to ensuring fiscal responsibility extends both to our hospital and to our community.

HRMC provided free sports physicals to students competing in local high school and middle school athletics.

HRMC team members participated in an employee health screening event.
