

Maria Parham Health is committed to providing high-quality care close to home, further enhancing and expanding our services, and making the right investments to promote and protect the health of our region. We take seriously our responsibility to advance our mission of *making communities healthier®* and support our community as a vital economic engine. Our dedicated team is committed to going above and beyond to meet the needs of those we serve – both inside and outside our hospital walls. With support from Duke LifePoint Healthcare and community partners, like you, we continue to make a positive difference together and create places where people choose to come for health care, physicians and providers want to practice and employees want to work. Thank you.

Bert Beard,
Market President and CEO

2022 Community Benefits

Added 73 employed and independent providers

Inviting the best possible providers into our community and supporting them is essential to ensuring access to high-quality care. This year, we added providers in cardiology, oncology, internal and emergency medicine, pathology, telemedicine, anesthesiology, general surgery, rehabilitation, radiology and behavioral health.

Made nearly \$3.6 million in capital improvements

By continually investing in our facilities, we're helping to ensure that we continue to meet our community's health care needs. This year's investments included new equipment like workstations in the pharmacy, an energy study for more efficiency, as well as updated endoscopy and communications equipment.

Distributed a payroll of \$64,745,007 to more than 700 employees

We strive to create an environment where talent is recognized, job satisfaction is valued and our employees can effectively use their skills to provide high-quality care and service.

Donated more than \$57.2 million in services to those in need

Delivering care to all of our neighbors, regardless of their ability to pay, is foundational to our mission and our commitment to our community.

Paid \$8,519,012 in taxes

We are proud to be a leader in our region, and our dedication to ensuring fiscal responsibility extends both to our hospital and to our community.

Maria Parham Cancer Center team members celebrated Oncology Team Month with a Disney-themed spirit week.

Maria Parham team members wore blue to raise awareness for colon cancer during Colon Cancer Awareness Month.
